Preface

It is our great pleasure to share our activities in the year 2017-2018. At the completion of the period it is really amazing to look back. There are some satisfaction for the tremendous changes in the right direction and some disappointment for not achieving the expected outcome due to undesirable circumstances, but since we have already built up a culture of work that it can continue working effectively in spite of changes. There are numerous activities undertaken during the period estranged in four components e.g. Community Development, Issue Based and Capacity Building.

In the entire pages we have narrated many of the activities carried out and achievement. In many areas we acknowledge that we could have done better or we need to do more. The important things we have learnt from the beginning is that until and unless the attitude of each individual is change and derivation will take place then the achievement will take place.

We extend our grateful to SEVA BHARAT for Supporting with Financial assistance for Adult Literacy Programme, Children Development Programme and their technical support in various capacities for making all these possible towards journey of development in the area.

We also appreciate with heartfelt gratitude to SBCA, CDP and ALP State Coordinator, District Coordinator, Community leaders, community based organization, local Gaon Panchayats for all kind of support, Guidance, encouragements, and enable us to carry forward the programme. We also thank to Government Department Officials, our likeminded organization and forums for their cooperation and active participation with various capacities and enable us to work with community and mitigate the need during period.

Finally, DCDP extend heartfelt gratitude and thanks to all the staff and volunteers well wishers and all the family of DCDP for rendering their faithful work and commitment towards the journey of Development.

With best wishes

Kretofil Bhengra
SECRETARY, DCDP

INTRODUCTION

a) Organization:

In the year 1986, the Church's Auxiliary for Social Action (CASA) initiated the development activities in Bheludanga under Development Programme in NORTH EAST India in cooperation with North bank Baptist Christian Association NBBCA. As a part of the process, a District Level Committee was formed to plan and implement the development activities within 21 selected villages. Through the process of development, the district level committee promoted as full-fledged organization by acquiring the legal status in the name of "DISTRICT COMMUNITY DEVELOPMENT PROGRAMME" (DCDP). In the year 1997-98 to carry forward the process of development activities with the objectives framed in the constitution.

VISION:- The "DISTRICT COMMUNITY DEVELOPMENT PROGRAMME" (DCDP). Visualizes a society where all citizens irrespective of caste, creed and color live together with peace justice, harmony and equality. The DCDP strongly envisages a society where poor, marginalized and under privilege have equal opportunities for their active involvement in the development process, which is value based.

MISSION:- The DCDP actively involves toward a sustainable society by creation a condition for active and meaningful involvement of people and their organization in the sustainable development process. The DCDP also respond to emergencies and disasters and enhance people's capacity for disaster mitigation.

Area of Operation:-

Due to lack of Financial resource the intensive action area is stretched in 10 villages encompassing 2 Blocks in the District of Sonitpur now it is Biswanath. It has a wide networking through the District with Bheludanga under the Chaiduar Development Block of Gohpur Sub Division and the Baghmari Development Block of Biswanath Sub Division.

BACKGROUND

District Community Development Programme, DCDP Bheludanga has been very actively involving in the socio-economic development for the community those who are economically and politically exploited. The organization very deeply understands the condition of the poorest of the poor, marginalized and downtrodden. The organization has been playing a vital role in the socio-economic upliftment of the downtrodden poor people of these areas. So the organization realized very genuinely and prepared an assessment and detailed the documentation to SEVA BHARAT Guwahati to provide support towards the upliftment of these communities especially in its operation areas. As per the request of the organization SEVA BHARAT/ Letha Charitable Trust indirectly provided support towards Adult Literacy Programme and Children Development Programme. The organization has been struggling against the different issues and problems of the society as well as the environment under the district of Sonitpur Assam.

The Bheludanga, Karibil, Nagabil, Dullungmukh, Chirajuli and Halem Sapor area is very badly affected by the wild elephant's disturbances throughout the year. This problem is a core and long lasting problem of these areas. In this regards various measures have been taken like construction of elephant patrolling towers, distribution of Charge lights and crackers are been distributed to keep away the herd of elephant from residential areas but everything gone in vain. So the organization has been looking for a permanent solution of the problem. During the year of last 2009 a programme was introduced to make a barrier to keep away the elephant from the area, and it was Bio-Fence. The organization in collaboration with the WWF-India Tezpur North Bank

Landscape extended helping hand in this programme. In this programme now in two areas are covered.

The organization had implemented different activities, through these activities and trying to formulate a healthy atmosphere in the society.

b) The Project:-

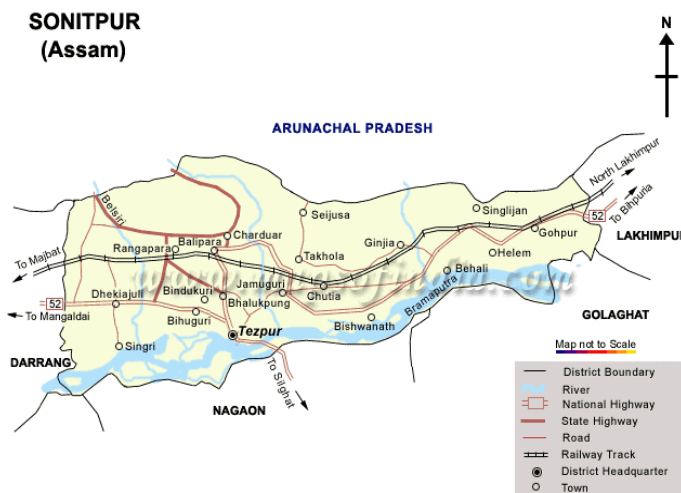

The Community Based Food Security Programme (CBFS) was a unique project of **DCDP** for last 10 years supported by Church's Auxiliary for social Action CASA to address the basic needs towards the socio-economic development in selected **47** villages under in two pocket areas Bheluadanga and Selaikhati respectively in Gohpur Sub-Division and Biswanath Sub-Division in the District of Sonitpur in Assam. As the said project completed in September 2015 and though there is no linkages for financial resources DCDP continued to work with the challenges underlining the Goal and Programme objectives.

During the year 2017 DCDP submitted application along with socio-economic survey data to SEVA BHARAT and approached for 5 Adult Literacy Centre and 5 Children Development Programme Centre specifically for 10 selected villages under Chaiduar and Baghmari Block in Sonitpur (Presently Biswanath) district of Assam. Besides the above Programmes DCDP is also trying to address the issues relating to Food Security, Environment, Women and Gender.

For better implementation of the project and activity DCDP segregated the work with following Components.

- 1. Community Development**
- 2. Issue Based**
- 3. Capacity Building**

According to the above components DCDP has involved with the community and mobilized human resources who have been serving voluntarily with minimum honorarium for the community at their respective area. The details of the activity are narrated in details below.
